ABOUT OSCAM

The Open Space Contemporary Art Museum (OSCAM) makes space for creators and visitors to be part of our creative museum community where together we own the story of Amsterdam Zuidoost, Amsterdam and the Netherlands.

We realize this social mission as a museum for art, fashion, design, crafts and their development. We give substance to this mission through high quality presentations and exhibitions, educational and participatory activities and programs, and by bringing the creative process closer to the public.

YOUNG OSCAM MEET UP (YOMU)

OSCAM facilitates meetings through Young OSCAM Meet Up. We make our space available for panel discussions, (book) presentations, business meetings, product launches, showcases, photo shoots, conferences and small business lunches. The Young OSCAM team is available as museum hosts.
